The Maple Grove Fire Department (MGFD) has established a program to help seniors 60+ ensure that they have working smoke alarms in their home. MGFD will change out smoke alarm batteries **free of charge** (*while supplies last*) thanks to a grant from ENERGIZER battery provided that the smoke alarms are less than 10 years old.

If your smoke alarms are 10 years or older, MGFD will provide information and guidance on purchasing new smoke alarms. Once you have purchased new smoke alarms MGFD will install them for you **free of charge**.

MGFD also has funds available to purchase new smoke alarms for seniors or mobility impaired citizens who are on fixed or limited incomes. In order to qualify at least one person in the household must be age 60 or older, or is disabled.

Net Income level is under \$30,350.00 for a one person household*.

Net Income level is under \$34,650.00 for a two person household*.

Funds for the free smoke alarms are limited and available on a first come first serve basis.

To schedule an appointment please contact Deputy Fire Chief, Marilyn Arnlund at 763-494-6091 or email her at MArnlund@MapleGroveMN.gov.

* Household: Any group of persons who choose to live together in a unit is the "household" and the income levels listed require the inclusion of the income from all adult members of the household.

Note: When permits are required for remodeling additional smoke and carbon monoxide alarms may be required. MN Sections R314 and R315
